Say a phrase with both a number and a text ingredient

This trigger fires when you say "Ok Google" to the Google Assistant followed by a phrase like "Block time for 'exercise' at 6 PM." **Use the # symbol to specify where you'll say the number ingredient and $ where you'll say the text ingredient

What do you want to say?

My Howdy is # $

Enter a $ where you want to say the text ingredient and a # where you want to say the number

What's another way to say it? (optional)

Howdy # $

Enter a $ where you want to say the text ingredient and a # where you want to say the number
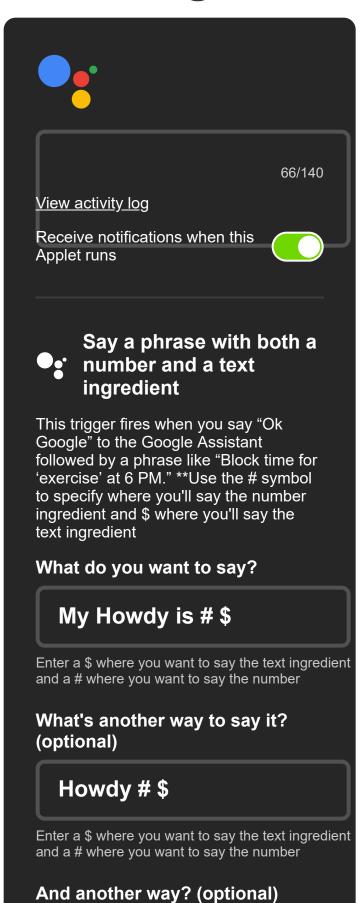

And another way? (optional)

Hack # $

Enter a $ where you want to say the text ingredient and a # where you want to say the number

What do you want the Assistant to say in response?

Cool! I will get your stuff ready

You can enter a $ or a # where you want to hear the text or number in the response
